The Milwaukee Radio Amateurs' Club Inc.

P. O. Box 26233, Milwaukee, Wi 53226
Phone: 414-459-9741
email: w9rh@arrl.net
http://www.w9rh.org

In continuous operation since January 1917

Affiliated with ARRL 1919

The oldest amateur radio club in Wisconsin and surrounding states!

Meetings: Last Thursday of each month except July, August and December at 7:00 p.m. in the basement of Redemption Lutheran Church, 4057 N. Mayfair Road (just north of Capitol Drive, west side of street) south entrance. Handicapped accessible.
Meetings are open to all (no license required)!

Our meetings consist of a brief business meeting and a program dealing with various aspects of amateur radio, electronics, communications. Refreshments are available at the meeting. There is often a raffle of various radio/electronics related materials and free magazines and books. For over 80 years at least one meeting per year (currently **May**) is an auction of radio and electronic equipment (with no selling fee charged).

Hamfest: MRAC in collaboration with Milwaukee Area Amateur Radio Society sponsors an annual swapfest every February.

Ham radio license exams: MRAC founded and supports the MRAC-VEC who is one of 14 Volunteer Examiner Coordinators (VEC) in the US. They operate and coordinate testing sessions for all grades of amateur licenses on a regular basis and charge the lowest fee in the region. (Check our web site for latest testing schedules and information)

Ham radio license classes: MRAC periodically conducts classes for all amateur radio licenses.
(Call 414-459-9741 or check our web site for latest class schedules and information)

Two meter repeater: W9RH on 145.39 MHz -600 127.3 Hz PL. Coverage from Sheboygan south to the Illinois state line.

Field Day: We participate in the annual *"Field Day"* emergency preparedness exercise and contest, from a location in the area. We currently collaborate with the Milwaukee Area Amateur Radio Society (MAARS) and the Gateway Technical College Radio Club for Field Day operations (the only collaborative Field Day in the area).

Friday night 10 meter sideband net: on 28.490 MHz USB at 8:00 p.m.
Friday night 2 meter FM net: on the W9RH repeater - 145.39 MHz -600 at 9:00 p.m.

Regular newsletter: *Hamateur Chatter* is produced monthly. Covers local ham activities, club and meeting news, editorials, technical topics and more.
